GRANDSTAND ATTRACTIONS

Featuring R.C.M.P. in their famous musical ride and other mounted sports. Fireworks costing thousands and thousands of dollars. Pageant reproducing the Battle of Batoche, in which hundreds of Mounted Police, Soldiers, Indians and Breeds will take part.

THE ORONTIS TRIO (ACT No. 1)

The astounding gymnastic feats accomplished by the Orontis Trio on the lofty perch and balancing ladder represent the height of intrepidity. The wonderful strength displayed by the understander who supports a double perch while his two partners perform highly sensational stunts on it, is a sight to marvel. This act has been one of the feature attractions with the Ringling Brothers-Barnum & Bailey Circus for the past two seasons.

MOSS'S BEARS

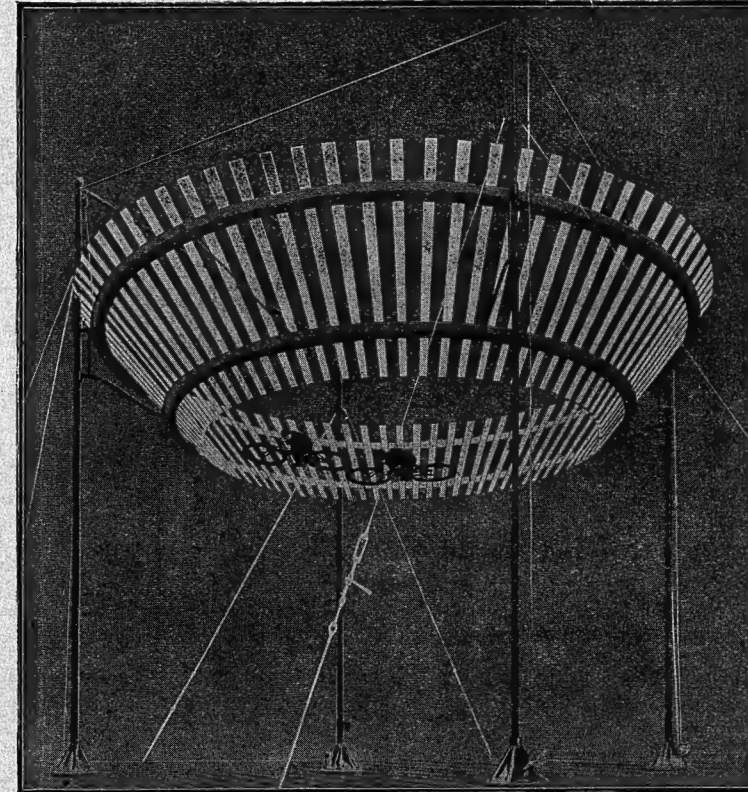

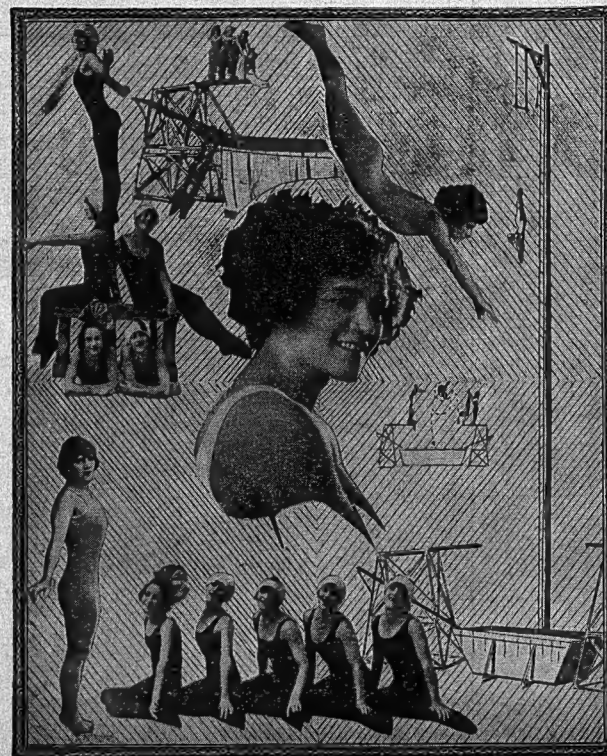

The performance of Moss's Bears is one of absorbing interest from start to finish. The animals are put through a smart routine of bicycle riding, roller skating, globe rolling and many other intricate feats, which they perform with an alacrity and perfection that shows plainly the work of a thoroughly expert trainer. The humorous element is well to the fore in the offering, the comedy stunts being "put over" in such a grotesquely absurd manner that evokes shrieks of laughter from young and old alike. It is an animal act that will appeal to any audience, anywhere.

Moss's Bears will appear at each Grand Stand Performance.

THE BERLO SISTERS

Undoubtedly one of the most picturesque scenes of female pulchritude is to be found in the offering presented by the renowned Berlo Sisters, who for many seasons were the feature attraction at the New York Hippodrome. It is an array of American beauties in one-piece bathing suits presenting a series of acrobatic, springboard, novelty and expert diving, a swift succession of beautiful forms passing through the air in rapid and perfect motion, accomplishing the most intricate and difficult somersaulting with an ease and grace incredible. Each lady of the troupe is the very essence of physical and facial perfection. It is the most wonderful combination in the world, beauty and grace with skill and daring.

Part of each Grand Stand Performance.

TOM DAVIES SENSATION

An unusually thrilling and spectacular feature is that of Tom Davies Sensation. The work is accomplished in a saucer track that is attached to four uprights on which the track can be raised or lowered at will by hydraulic power. The riders, mounted on motor-cycles, trundle around the track at a terrific pace, at a given signal the track is raised in mid-air, the motor-cycles continuing their mad career the while. It is undeniably one of the most sensational displays of skill and nerve ever witnessed.

See it as part of the Grand Stand performance.

LE BRUN DUO (ORONTIS ACT No. 2)

The Le Brun Duo appear in an equilibristic and hand balancing act that is positively without peer. The tricks performed by these two clever artists are the very essence of originality, the feature trick in which the top-mounter does a hand balance on the top of a perch which is balanced on the head of the understander who walks up one ladder and down the other, is undeniably the most thrilling and superior balancing feat ever presented.

To be seen at each Grand Stand Performance.

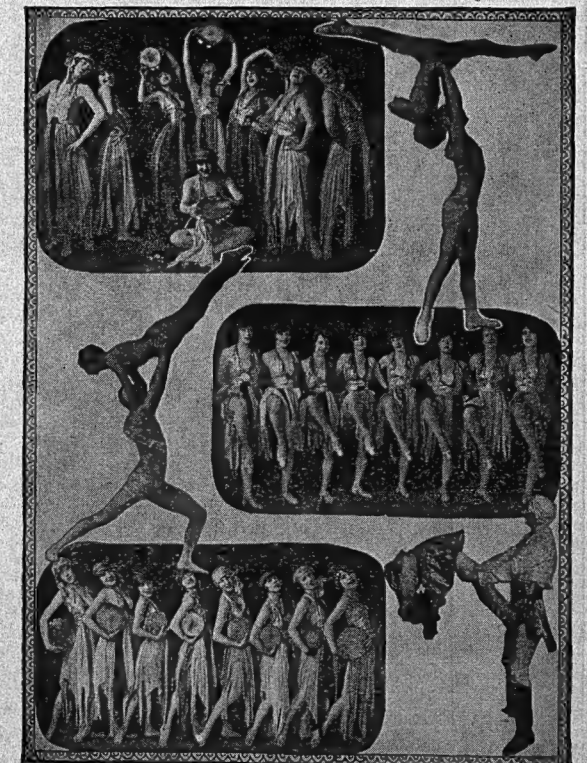

MARCELINE

There is not a man, woman or child who has not heard of Marceline, the New York Hippodrome clown. Famed throughout the world for his buffoonery. In whatever country he chances to be, his absurd antics evoke roars upon roars of laughter. Just to see Marceline once is to realize why he is called the "King of Clowns."

LENORA'S STEPPERS

Nowadays with the dance craze at its zenith there are some remarkably clever exponents of the art, but none can compare with the picturesque grace and finished artistry of the exhibition presented by Lenora's Steppers, which comprises nine beautiful English girls and one man, who present their offering in the form of a dance revue, introducing Russian, Gypsy, Spanish and Acrobatic dancing, also the famous dance of the Wooden Soldiers, which has created a furore everywhere. The gorgeous costuming and excellent work of the artists combined make it an offering that will occupy a stellar position on any programme.

Will appear at each Grand Stand Performance.

PORT ARTHUR

The Saskatoon Industrial Exhibition is too well known to the people of Saskatchewan,—and particularly to the people of Saskatoon City and Northern Saskatchewan,—to require any recommendation or commendation from me. Nevertheless, I am glad to speak a word in praise of it.

An institution of this kind is of inestimable value, drawing together as it does the people of city, town and country, thus tending to bring about better understanding and harmony among the various classes of the community.

The Saskatoon Exhibition ranks as one of the best in Western Canada and is worthy of the fullest possible patronage and support.

GREETINGS FROM THE MAYOR OF SASKATOON

To the people of Saskatchewan:

The Saskatoon Industrial Exhibition is held annually at Saskatoon in the Province of Saskatchewan, for the education and entertainment of the people of the Province and visitors.

Large buildings house the exhibits of Livestock, Poultry, Agriculture, Dairy Products, Domestic, School, Art, Manufacturers, Industrial and Governments—both Dominion and Provincial. It is not an organization for profit.

The Directors are composed of men of high standing who give their entire time and talent to make the Exhibition a success and are highly encouraged by the Civic Government and citizens of the City.

Midway attractions, platform attractions, horse and auto racing, fireworks, etc., will all be the best obtainable, and should make the 1924 Exhibition outrank all previous Exhibitions.

As Mayor of the City of Saskatoon I urge the people in the City of Saskatoon and the Province of Saskatchewan to take advantage of the privileges offered by visiting every Department of the Exhibition this year.

W. H. CLARE,
Mayor.

PRESIDENT'S GREETINGS

The Board of Directors take pleasure in presenting herewith the annual premium list for the Saskatoon Industrial Exhibition for the consideration of its patrons. In compiling the list of premiums the number of awards offered has been increased in many departments. The different committees have given very careful consideration to what they consider to be the best interests of every section of the Exhibition.

The Saskatoon Industrial Exhibition has been a most important factor in bringing to our people a fuller realization of the wonderful agricultural possibilities of the Province and the splendid exhibits have been a silent influence in bringing to the attention of our communities better types of Livestock, Poultry, Agricultural and Dairy Products, which mean much in the development of the Province.

The Saskatoon Industrial Exhibition is now recognized throughout the country as one of the leading exhibitions of the West.

The Exhibition is operated entirely in the interests of the development of the Province. The officers and Directors serve without compensation. The entire income in excess of the cost of operation is devoted from year to year to increasing facilities, enlarging the buildings, improving and beautifying the grounds and making the premiums more attractive.

It is the earnest desire of the Directors that the stimulating influence of the Exhibition that has already been so effectively felt in the portions of the Province that have hitherto participated, extend throughout the Province.

The Saskatoon Industrial Exhibition belongs to the people of the Province, and we desire that every citizen should have a part in the Exhibition's continued growth and influence for good.

A whole-hearted welcome awaits you.

Respectfully yours,

L. G. CALDER,
President.

27. Exhibitors who may require to take their horses from the grounds at night will be allowed to do so on depositing \$5.00 with the management as a guarantee for the return of the animal. If the horse is not returned by 10 o'clock the next morning the amount deposited will be forfeited to the society.

28. Brood mares must have foal at side, brood sows must have litter, or have raised pigs in 1924, or be in pig when shown; breeding cows must be giving milk at time of exhibition, or show signs of being well gone in calf, or have bred a calf in 1924.

JUDGES AND JUDGING

Judges are particularly requested to adhere to the following rules:

34. Any changes made in the judging programme will be posted in a conspicuous place in the barns.

35. Judges will be appointed by the Executive Committee previous to the exhibition, and will receive cards informing them of the fact and inviting them to act. These judges are instructed not to award the prizes except to deserving exhibits.

36. Any person who shall attempt to interfere with or influence the Judges while in the discharge of their duties, or shall at any time, on premises of the Association, use any contemptuous or abusive language to any judge, or within his hearing, in consequence of any award made by him, or any exhibitor refusing to accept any award made by a Judge, shall forfeit his right to any premiums to which he might otherwise be entitled. Judges are particularly requested to report any breach of this rule.

37. All protests shall be made in writing and accompanied by a deposit of an amount equal to the first prize in the class in which the exhibit was judged, which deposit shall be forfeited if protest is not sustained. Said protest shall state plainly the cause of complaint or appeal and shall be filed with the Secretary the same day as the decision complained of is made. Such protest shall be dealt with by the Committee in charge of the Department in which protest is made as they may deem best, and their decision in the matter shall be binding upon all exhibitors and judges concerned. In the event of the Committee being unable to come to a decision satisfactory to the majority of the Committee the protest shall be dealt with by the full Board of Directors.

38. Where a protest is to be made against the competition of any animal or article in any class, notice of the same should be filed with the Secretary before the class is passed upon, that the judge may be instructed to place a reserve award, and that premiums may be properly distributed in the event of the protest being sustained.

39. Any exhibitor may be required by the Executive to make a statutory declaration that the exhibits made by him are shown in accordance with the rules and regulations governing the Exhibition. Should any exhibitor refuse to make such declar-

the said horse may be removed from the grounds by authority of the manager.

51. All stalls must be cleaned out before 7 a.m., so that refuse can be cleared away before the arrival of visitors.

52. Judges in the several departments shall present themselves to receive their instructions at the Manager's office on the grounds.

53. Each Director of a department is charged with caring for and reading the judge's book of his department, with the awards duly and properly entered therein as it is only upon this record that prizes can be paid. Each book must be signed by the judge and director of the department immediately upon the awarding of the prizes. Judges are directed to note in the judges' book all animals or articles examined by him, whether awarded prizes or not.

54. When respectfully requested to do so the judges are expected to give the reasons for their decisions, stating what constitute points of excellence in the class of animals or articles being considered, and pointing out the superiority of one over the other.

55. The judges are particularly requested not to leave the grounds until they have ascertained that no protests against their awards have been made.

56. Where there is no competition the judges shall decide whether such animal or article is entitled to the first or any prize. This ruling shall govern all departments except such where special provisions have been made to the contrary.

57. Whenever the word "progeny" is used in the Live Stock classes it is to be defined as referring to and meaning the direct descent, as a son or daughter.

58. In the perishable classes, Fruit, Flowers and Vegetables, the privilege will be allowed (after the Judges have made their awards) of replacing any deteriorated or wilted article with a new supply.

Exhibitors will please note all the **General Rules and Regulations** found in this book.

SPECIAL RULES

1. **Entries close in this department July 17th, 1924.**
2. All the entries in the pure bred classes must be recorded in the name of the exhibitor in the Canadian National Live Stock Records. Exhibitors must produce, if required, certificate of pedigree at time of judging.
3. All animals competing for prizes must be entered in the name of the bona fide owners or their duly authorised agents (except where Sire and Get are shown). The name of the animal, Canadian Record Number, its age and color, must be given, names of sire and dam must be given if known. Should doubt arise the directors may require an affidavit of ownership from exhibitor.
4. Horses shown as a team may also compete as single horses, but must pay an additional entry fee.
5. The age of the horses shall date from January 1st.
6. Exhibitors who may desire to take their horses from the grounds at night will be allowed to do so on the depositing of five dollars with the secretary as a guarantee for the return of the animal the next morning. If the horse is not returned by 10 o'clock the next morning the amount will be forfeited to the Association.
7. In Farmers' Turnouts, in single or double roadsters, hackneys or carriage drivers, stallions are not allowed to compete.
8. Horses trained for racing are barred from entering the light harness class.
9. **Entrance fee shall be 10 per cent. of the first prize offered.**
10. An entry form for horses will be found at the back of this book, and additional forms may be had on application to the manager.
11. Use separate entry forms when entering horses and cattle.

4 Clyde Stallions

A group of Saskatchewan prize winning stallions at Toronto Royal and Chicago International, 1923.

12. Exhibitors must keep the space in the rear of their stalls clear and clean, and all offal must be thrown where indicated by the superintendent or his assistants.

13. A feature of the Horse Show of special interest and educational value is furnished by the parades in front of the grandstand. Due notice will be given of the time and place of forming these parades. Any exhibitor failing to promptly comply with the call of the ring steward or the superintendent will forfeit all or such portion of the prizes awarded to him as the management of the Fair may see fit to withhold, and the exhibitor may be barred from further showing during the Fair.

14. Exhibitors are expected to obey the superintendent promptly in producing their stock, when instructed to do so. Stock must be in the ring within ten minutes after the class is called, and it will be taken for granted that any person failing to comply with this rule is not an exhibitor for the premium offered. Exhibitors will show their animals at such times and places as may be directed and shall furnish such information concerning their stock as may be required by the superintendent, and in case of refusal to obey this rule any or all premiums will be forfeited and the exhibitor barred from showing. The superintendent may exclude from competition exhibitors who occasion unnecessary or embarrassing delay in bringing animals into the ring.

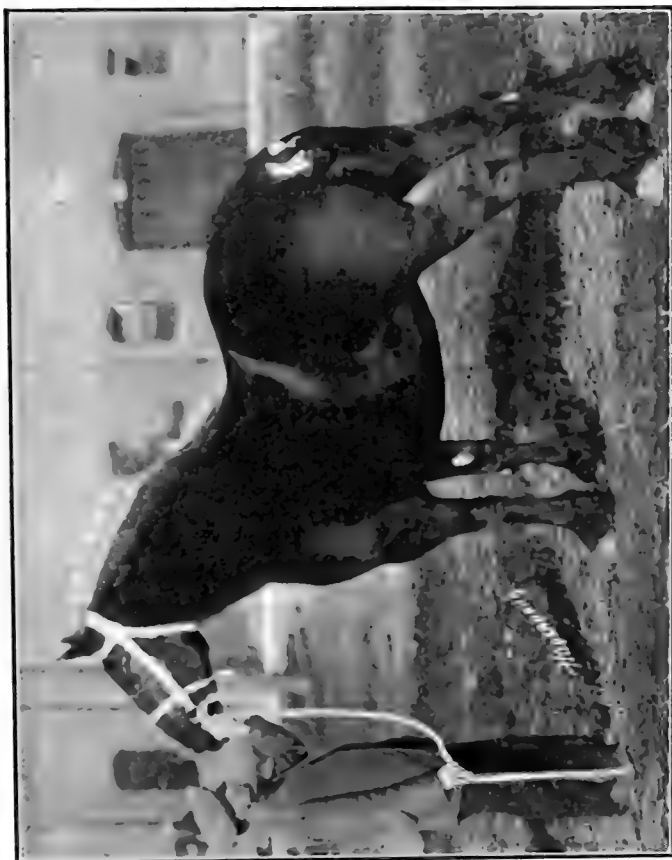

15. All animals must be on the grounds by 8 a.m. on Tuesday, July 22nd.

16. Absolutely no exhibits can be removed or decorations taken down before the time specified.

LOT D—MILKING CONTEST

The contest will be conducted by officials of the Dairy Branch of the Department of Agriculture, Regina.

Open to pure bred or grade cattle (Saskatchewan exhibitors only).

Cows entered in other classes may also enter in the Dairy Competition.

Pure bred animals must be recorded in a Canadian Record Book. All grade animals must be sired by a pure bred bull, name and number of bull to be given at time of entry.

The awards in this contest shall be made by the following scale:

25 points for each pound of fat.

3 points for each pound of solids (not fat).

1 point for each ten days in milk after the first thirty days; limit 10 points.

The milking competition shall extend over three days and will take place on Tuesday, Wednesday, Thursday, Friday, July 22, 23, 24 and 25. Ration-fed cows will not be considered. Cows must be milked three times a day. They shall be milked dry in the presence of the judges, at 1 o'clock on the afternoon of Tuesday, July 22nd, by the person who will milk them through the competition, and the test will conclude at 1 p.m. on July 25th. The percentage of fat in the milk will be determined by the Babcock Milk Tester and the percentage of solids (not fat) will be determined by ascertaining the specific gravity of the milk, and then estimating the amount of solids (not fat) by the use of authorized formula for the purpose.

A statutory declaration will be required from each exhibitor, stating the number of days his exhibits have been in milk, also stating that each exhibit is shown in her proper class, and that she is the animal named on the registration certificate produced.

Exhibitors will be held responsible for the safe keeping of their cows during the test.

All stocks must be in the stall not later than 8.30 a.m., July 22nd, but if the owner desires it, they may be brought in earlier.

DOG SHOW RULES

I. The word "dog" whenever used in these Rules includes both sexes.

LISTING

II. Every dog entered under these Rules must either be registered or listed with the Canadian Kennel Club previous to being exhibited. Penalty for non-compliance is cancellation of wins. The Show Secretary shall collect listing fees of twenty-five cents (25c) from exhibitors for every dog entered at the show, unless the dog is registered in the Canadian Kennel Club Stud Book, and the registered number given on the entry form. All such fees must be forwarded to the Secretary of the Canadian Kennel Club within ten days from date of closing the show. Penalty for non-compliance shall be one dollar per day.

LISTING, REGISTRATION AND TRANSFER FEES

III. The cost of listing a dog is twenty-five cents for each show. The fee for registering a dog which is good for life is one dollar to members of the Canadian Kennel Club, and two dollars to non-members. The fee for transfer of ownership is twenty-five cents to members of the Club and fifty cents to non-members.

All applications for registration and transfer of ownership must be made on the official forms provided for that purpose and sent direct to the Accountant, National Live Stock Records, Department of Agriculture, Ottawa, Ont., together with the necessary fees.

OWNERSHIP

IV. Every dog must be the bona-fide property of the person making such entry on the day of closing the entries, and must be not less than six months old. The entry must clearly identify the dog to be exhibited by name. If the dog is already registered in the Canadian Kennel Club Stud Book, number of the dog must be given with the entry, and the dog must be registered in the name of the exhibitor.

ENTRY FEES

V. Entry fees must be paid in cash, or by express or postal order, or by certified cheque.

CHANGE OF NAME OF A DOG

VI. If the name of a dog which has won a prize at any show recognized by the Canadian Kennel Club has been changed, the old name must be given in the entry blank and published in the catalogue of the first show recognized by the Canadian Kennel Club at which the dog is shown after the change of name.

BREEDER

VII. The breeder of a dog is the person owning or leasing the dam at the time of her being bred.

FINES

VIII. There shall be a fine of \$1.00 each for all technical errors (unless fraud is obvious) in entries at dog shows. These errors shall consist of: Failure to give a stud book number of registered dog, or for giving the wrong number of a registered dog; for giving a wrong pedigree; for giving a wrong name of breeder; for giving the wrong date of birth; when the name of the dog exhibited differs from that under which it was registered; but the exhibitors must abide by any errors in entries in respect to class or sex.

REFUSAL OF ENTRIES

IX. The authorities of any show may decline any entries they see fit and may refuse to receive or may remove any dog on account of disease, vice or other cause, and no one shall have any claim or recourse against the organization holding the show or any official connected therewith.

DISQUALIFICATIONS

X. A castrated dog or spayed bitch shall be disqualified and forfeit any prize that may be awarded to it.

XI. Total blindness, deafness or lameness shall absolutely disqualify. If the judge or veterinary surgeon is satisfied that the deafness or lameness be temporary, the dog shall be allowed to compete.

JUDGES

XII. A judge may disqualify a dog which, in his opinion, has been improperly tampered with, subject to the decision of the veterinary surgeon. The class must be re-judged if necessary.

XIII. The judge's decision shall be final in all cases affecting the merits of the dogs, and appeals can only be entertained where misrepresentation or breach of the rules is alleged.

XIV. The judge of each class shall have power to withhold any or all prizes for want of merit.

XV. Sec. I. Should an appointed judge be unable to fill his engagement, the Committee shall have the right to fill the vacancy. In the event of an appointed judge not officiating it shall be optional with the exhibitor before the commencement of the judging of the breed to withdraw his dog or dogs from competition and from the show, in which event his entry fee shall be returned. All the separate classes of any breed of dogs must be adjudicated upon, the same judge or judges acting in conjunction.

Sec. II. The appointment of judges shall rest with the Club or Association giving the show, but a judge must be in good standing with the Canadian Kennel Club. The judges must mark all awards made by them, also mark all absentees in their respective classes and sign the judge's books themselves.

Sec. III. Any person acting as a judge at a show, held under these rules, shall not exhibit for competition nor act as an agent or handler at such show, and the penalty for violation shall be suspension for one year, and cancellation of all wins made by him or her at such show.

WEIGHT OF DOG

XVI. In any class where there is a limit of weight, the person in charge of the dog entered in such class may claim of the manager, superintendent, secretary, or any member of the show committee, the right at any time, after the opening of the show, and before the judging, to have the dog weighed, and the weight of the dog shall be registered and held good at the time of the judging.

Any competing exhibitor or handler shall have the right to demand of the manager, superintendent, secretary or any member of the show committee, the weighing or measuring of any dog during the judging of the class, other than those whose weight has been officially registered. The club must provide scales for the use of the exhibitor and judges.

CLASSES

XVII. Bench Show Committees may provide such classes for dogs of established breeds as they choose, providing they do not conflict with the under-mentioned classes recognized by the Canadian Kennel Club; all such classes shall be under the supervision of the Canadian Kennel Club.

1st. The Juvenile Class shall be for dogs six months of age and under nine months of age on the first day of the show, and no entry can be made of one whose date of birth, breeder, sire and dam is unknown.

Dogs entered in the Juvenile Class may be removed from a show after they have been judged, but only after the closing of the show in any evening.

2nd. The Puppy Class shall be for dogs six months of age and under twelve months of age on the first day of the show, and no entry can be made of one whose date of birth, breeder, sire or dam is unknown. Puppies may be removed from the show after they have been judged, but only after the closing of the show in any evening. The Juvenile and Puppy Classes must be judged not later than the second day of the show.

An American bred dog is one bred in the United States of America. The Winners Class may be divided by sex, providing at least the open class is divided by sex.

Reserve Winners.—Before awarding reserve in the Winners Class the dog or dogs having been placed second to the winners in any of the classes recognized by the Canadian Kennel Club, must be brought before the judge for competition.

Winners Classes shall not be allowed where two or more breeds are combined. All winners of classes recognized by the Canadian Kennel Club must compete in the Winners Class.

Only two Winners Classes may be offered in any one breed (except Cocker Spaniels), one for dogs and one for bitches. In Cocker Spaniels four Winners Classes may be offered: i.e., Solid Color Dogs, Solid Color Bitches, Parti-Color Dogs, Parti-Color Bitches.

Champions.—Ten points, which must be won under at least three different judges at three different shows, shall constitute a championship, the winner of which shall be recognized as a Champion by the Canadian Kennel Club and duly recorded as such. If all ten points have been won while the dog was registered in the Canadian Kennel Club, and while owned by a member of the Canadian Kennel Club, he shall be entitled to a championship certificate. In the event of a dog registered in the Canadian Kennel Club Stud Book having won a point or points towards his championship while owned by a non-member of the Canadian Kennel Club, and the dog completes his wins while owned by a member of the Canadian Kennel Club, he shall be entitled to a championship certificate on payment of a fee of \$5.00 therefor.

- Not less than 350 dogs shall count three points.

Not less than 50 dogs shall count two points.

9th. The Miscellaneous Class shall be open to all dogs of established breeds for which no regular class has been provided in the premium list. Entries in this class must specify the breed of the exhibit. Failure to comply with this condition shall cancel the award, if any. There shall be no winners points for this class.

PRIZES

XVIII. In estimating the number of prizes a dog has won, the number of prizes shall be calculated up to 12 p.m. of the day preceding the closing of the entries of the show.

XIX. If a prize winner is disqualified, the next dog of merit as placed by the judge shall be given the prize just forfeited, and the win shall count in every respect the same as if it had been the original award. An equal first prize shall be counted as a win for each dog dividing first and second money, the dog next in order of merit receiving third money.

A money prize or a prize of any description won in a class, or a special prize, is included in this definition. "If a win is cancelled subsequent to the closing of the show, the exhibitor must return to the Club holding the show, within thirty days after receipt of notice to that effect, all prizes won by the dog at the show in question. Penalty for non-compliance with this rule shall be suspension of the exhibitor until restitution is made and a receipt for same filed with the Canadian Kennel Club."

SPECIAL PRIZES

XX. No dog eligible for special prizes can be withdrawn from competition unless it has been stated on the entry blank, "Will not compete for special prizes."

XXI. Dogs may be entered for exhibition or for specials only, if so stated on the entry blank; but dogs competing for specials only must be entered in one of the following classes in which they are not to compete: Juvenile, Puppy, Junior, Canadian Bred, Novice, Limit, Open.

In judging "general specials" or specials of a similar nature, the competition shall be restricted to dogs that have won first in their respective Winners' Classes. In cases where a special prize has already been awarded for the best of a breed, only the winners of this special shall compete.

XXII. No special prizes may be accepted or offered by a show committee unless same has become published in the premium list or catalogue of the show.

Any Club, Organization or Association giving a show under these rules shall be responsible for payment and delivery of all prizes published in the premium list and catalogue, to winners thereof, within sixty days of the last day of the show. In case of default on part of the donor of a special prize, an appeal may be made to the Canadian Kennel Club.

AGE

XXIII. The age of a dog shall be calculated up to and inclusive of the day preceding the show; for instance, a dog whelped April 30th shall not be eligible on April 30th of the following year to compete for dogs under twelve months of age.

PROTEST

XXIV. A protest may be made by any exhibitor or any member of a Club holding a show under the sanction of this Association; but must be in writing, and be lodged with the secretary of the show within seven days of the last day of the show, but a protest may be made to the directors of the Canadian Kennel Club within one month of the close of the show, in event of which notice shall be given to the club holding the show. No protest shall be entertained unless accompanied by a deposit of \$5.00, except the same is lodged in the name of the Canadian

Kennel Club, which may be made at any time. (For subsequent proceedings in protest see Rule XIV of Club Regulations).

PENALTIES

XXV. A person guilty of misconduct of any kind in connection with dogs, dog shows or field trials, may be suspended, disqualified or expelled by the directors of the Canadian Kennel Club. The suspension or expulsion of an owner shall apply to all dogs owned by him or connected with the perpetration of a fraudulent act.

Any organization, club or association may hold a dog show under Canadian Kennel Club Rules, provided it abides by the following regulations:—

DATES

I. Sec. 1. Application for dates, and for sanction of the show, must be made in writing and filed with the Secretary of the Canadian Kennel Club for approval by the directors or such sub-committee as may be empowered to grant dates, but no dates or sanction shall be granted more than four months previous to the opening of the show.

Sec. 2. After the granting of dates the Show Secretary shall send to the Secretary of the Canadian Kennel Club two type-written copies or two proofs of the Premium List for approval, one of which shall be signed by the Secretary of the Canadian Kennel Club and returned to the Show Secretary with the following endorsement: "The classification and prize list contained in this Premium List is approved by the Canadian Kennel Club." (This does not apply to specials or advertising matter.)

Such endorsement must appear in the Premium List. One final copy of the Premium List must be forwarded as soon as issued to the Secretary of the Canadian Kennel Club.

Sec. 3. The directors shall have power to grant or withhold dates.

Sec. 4. The same dates or any part of them shall not be granted to more than one club within two hundred miles of each other, unless such clubs are specialty clubs of entirely different breeds.

Sec. 5. Such approval, however, shall be subject to the subsequent endorsement of the Premium List as being in accordance with the requirements of the Canadian Kennel Club.

II. Sec. 1. Application for dates and sanction of show must be accompanied by a deposit of \$25.00, which must be forfeited in the event of the show not being held, or failure to comply with the requirements of the Canadian Kennel Club, as set forth herein.

Sec. 2. Shows not exceeding 250 entries will be charged a fee of \$10.00; 250 and under 350 entries, \$15.00; 350 and under 450, \$20.00; and over 450 entries, \$25.00. The counting of the number of entries for this purpose shall include every entry in the catalogue, whether in classes recognized by the Canadian Kennel Club or not. The difference between this amount and that of the deposit shall be refunded when complete returns have been made to the Canadian Kennel Club.

OFFICIALS

III. DURATION OF SHOW

IV. The duration of a show shall not exceed four days, and no license dates shall be granted to a four-day show except on the understanding that all dogs are permitted to be removed after six o'clock p.m. on the fourth day.

The committee of a show shall provide every exhibitor with a free pass enabling him or her to enter the show during its continuance.

ENTRIES

V. Entries shall not be received less than two days prior to the first day of the show, and a club accepting any entry after that date shall be subject to a fine of not less than \$10.00 for each entry so accepted. No alteration of the date of closing entries shall be allowed.

Every entry must appear in the catalogue, otherwise the dog will not be allowed to compete. Errors on the part of the management or printers' errors excepted.

CLASSIFICATION

VI. Classification shall be confined to established breeds, which may be divided by sex and otherwise, as provided for in the dog show rules. No change in classification will be allowed unless announced before the date for closing entries, unless such change is covered by the published regulations.

VETERINARY SURGEON

VII. Sec. 1. Every bench show must employ a veterinary surgeon.

Sec. 2. A qualified veterinary surgeon is a graduate of a recognized college entitled to confer the degree of V.S., or one who, without having a diploma, has had at least five years' practical experience to fit him for the practice of his profession. He must examine all dogs entered, and no dog shall be benched unless passed upon by him. He must also personally inspect the dogs on the benches, and in the quarters where the dogs are crated and exercised, before 6 p.m. on the opening day of the Show, and also during the continuance of the Show. He must hand in a written report to the Dog Show Committee.

PREMIUM LIST

VIII. The premium list must contain the dog show rules and regulations of the Canadian Kennel Club, also a list of the officials under whose management the show is to be held, who, with the exception of paid employees, are held responsible for the payment of all prizes within sixty days of the last day of the show, in default of which the said officials, or such of them as the directors of the Canadian Kennel Club deem culpable, shall be suspended, disqualified or expelled for such time as the directors of the Canadian Kennel Club shall determine.

NUMBER OF DOGS BENCHED

IX. A certificate of the number of dogs actually present, signed by the president or chairman of the Bench Show Committee and the secretary or superintendent of a show, shall be sent by registered mail before the close of the show to the Secretary-Treasurer of the Canadian Kennel Club. Blank forms for this purpose will be supplied by the Canadian Kennel Club.

Sec. 2. All money prizes offered, whether on a percentage basis or otherwise, a fixed amount for each prize must be clearly stated in the Premium List and Catalogue.

LISTING FEES

XI. A show giving club must assume the responsibility of collecting listing fees for the Canadian Kennel Club, which fact must be stated on the entry forms and in the premium list. Such fees with complete data must be forwarded to the Secretary of the Canadian Kennel Club, Toronto, Ontario, within ten days from date of closing the show. Penalty for non-compliance is one dollar per day.

CATALOGUE

XII. The catalogue of the show must give all particulars required of exhibitors in entering their dogs, as provided in Rules II, III VI, XVII of the Dog Show Rules. It must also contain a list of officers under whose management the show is held.

PROTEST

XIV. Sec. 1. In event of a protest being filed in accordance with Rule XXIV of the Dog Show Rules, the mode of procedure shall be as follows: Immediately upon lodging of a protest with the secretary of a show, it shall be his duty to request the judge to select reserve numbers, if he has not already done so, in order that any prize which would be affected by the disqualification of the protested dog may not fail of being awarded.

Sec. 2. Objection.—An objection must be decided by the committee of the dog show within twenty days from its receipt. If not decided during the show, five days' notice of the date and place of meeting for that purpose must be given to all parties interested.

Sec. 3. Appeal.—From any such decision or decisions appeal may be taken to the directors of the Canadian Kennel Club, but such appeal must be forwarded to the Secretary of the Canadian Kennel Club within seven days of the decision being rendered, together with the deposit of \$10.00. If the decision appealed from is sustained, the \$10.00 deposit shall be forfeited to the Canadian Kennel Club, but if the decision is reversed, then all deposits must be returned to the applicant.

CANCELLATION AND DISQUALIFICATION

XV. In event of the cancellation of a win or disqualification of a dog by a show committee, notice of such shall be forwarded within twenty-four hours after the close of the show to the Secretary of the Canadian Kennel Club, who shall at once notify the President or in his absence the Vice-President, who shall investigate the case, and, if he sees fit, suspend the penalty until the next meeting of the executive committee. The executive must at their first meeting thereafter either cancel or sustain the decision of the show committee, and impose such penalty as they deem fit.

The disqualification of an owner shall apply to all dogs owned by him or her connected with the perpetration of a fraudulent act. The directors of the Canadian Kennel Club are, however, empowered to use such discretion to the enforcement of the penalty as shall protect innocent parties.

No person shall, however, be disqualified without due notice, and formal charges and specifications, and an opportunity given of being heard in his own defence.
